carriage house LOOKS for LESS

Model GH13 with SQ24 Window Design. Doors painted by consumer.

The Grand Harbor® Collection

Enhance the classic details of your home without breaking your budget.

When budget is the deciding factor, this low-maintenance, insulation-optional steel frame carriage house style garage door combines clean lines and classic charm to provide a popular style at a great value.

Accented with decorative black wrought iron hardware, these doors have the appearance of a swing-out door, but offer the convenience of modern overhead operation.

Design Configurations

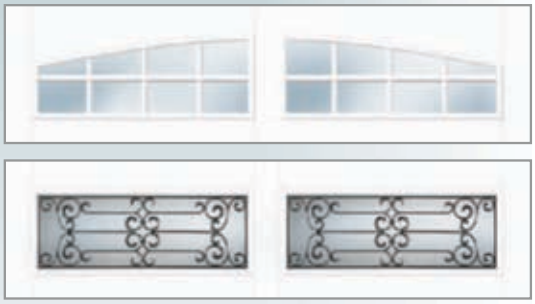
Five carriage house door designs combined with three top section options complement any new home design.

Solid Top Sections

Solid top sections in rectangular, square and arch designs provide more design options to complement new home styles.

Faux Top Sections

"Faux" top sections create the illusion of a window by using a solid dark gray steel background with arch, square and rectangular grille overlays. Provides added security while creating the appearance of a real window.



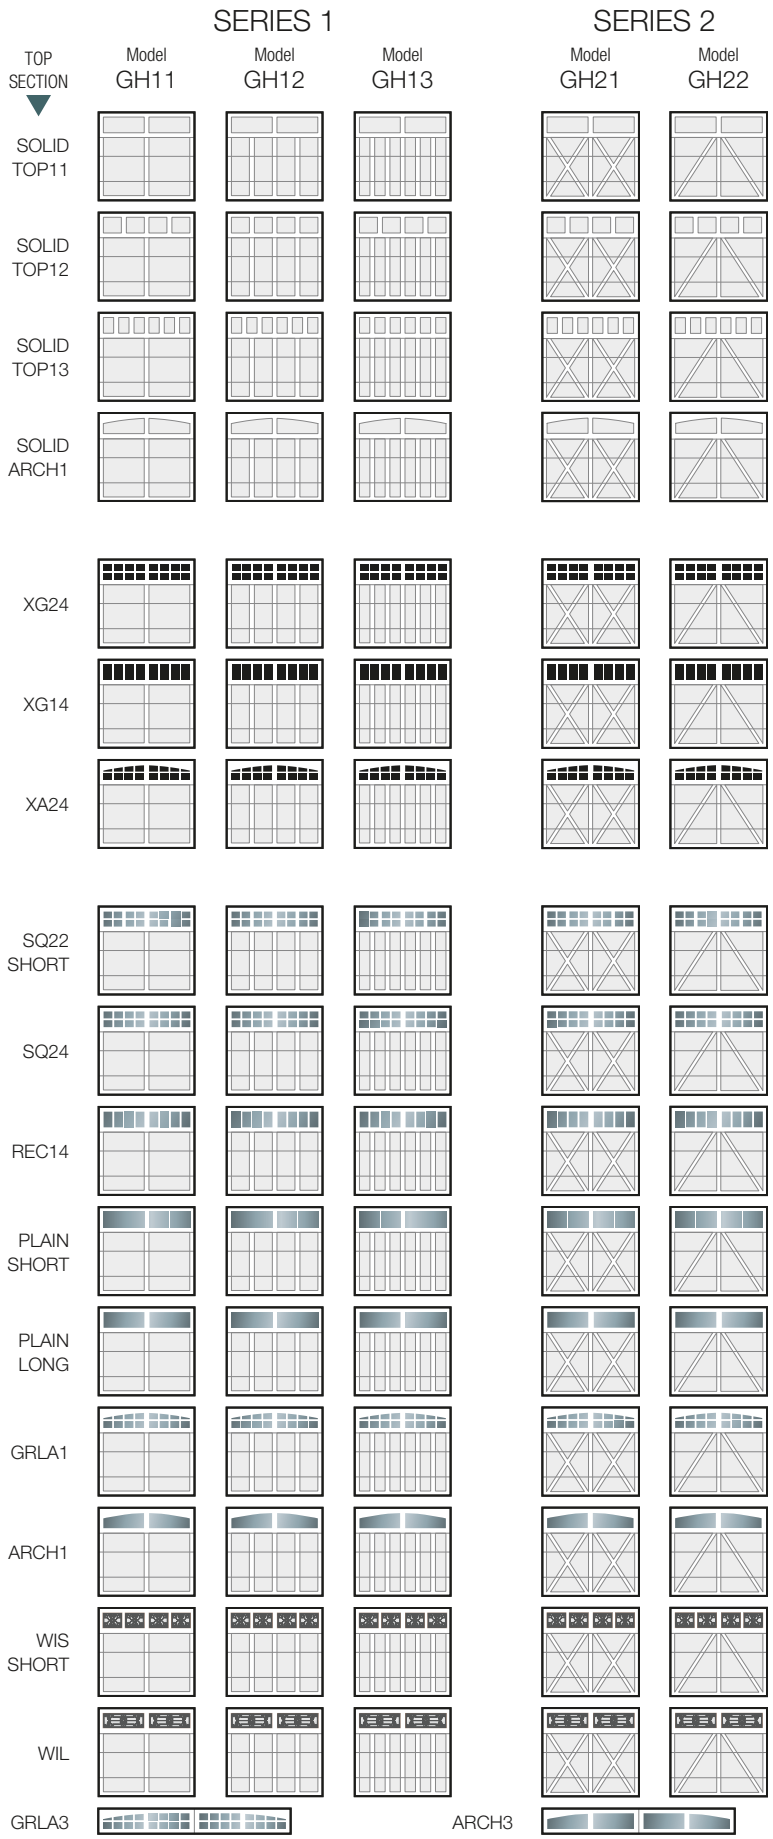
Glazed Top Sections

Glazed top sections in clear or obscure glass and snap-in grilles create square and rectangular designs. Wrought Iron windows feature a black iron-look design on a "seeded" look acrylic that provides an Old World European style to complement light fixtures, entry doors and other decorative features.

Glazed Top Sections (windows) NOT available in 15'0" and 15'6" width doors.

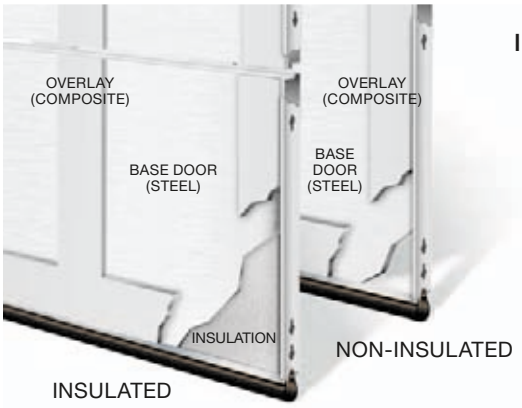
Note: All glazed top sections available up to WindCode® W1. Short glazed top sections, SQ22, Plain Short and Wrought Iron (WIS), available up to WindCode® W6.

Contact your local dealer for door width restrictions.



9' wide × 7' high doors shown. See your Clopay Dealer for additional size illustrations.

Durable Construction



OPTIONAL **INSULATION**

1⅝" VINYL-BACKED INSULATION

EFFICIENCY **6.3** R-VALUE

Calculated door section R-value is in accordance with DASMA TDS-163.

- 24 gauge 2" steel frame construction with 1/2" composite overlay for long-lasting performance and durability.
- Optional 1-5/8" vinyl-backed insulation improves energy efficiency. 6.3 R-value.
- Galvanized torsion springs are attractive and longer lasting.
- Nylon rollers are durable and quiet.
- Rust-resistant, aluminum bottom weatherseal retainer and vinyl astragal help seal out the elements.

Beauty and Design

- Two design series, five models.
- Glazed top sections in clear or obscure glass and snap-in grilles create square and rectangular designs. Optional faux windows and wrought iron windows.
- Decorative black powder coated spade design lift handles and step plate provide the finishing touch. Optional outside keyed lock and strap hinges maintain the authentic carriage house style designs.
- UV-protected white composite square-edged overlay with smooth finish.
